COMPANY BRIEF INTRODUCTION

Company Brief Introduction

Jiaxing Leyou Pet Products Co., Ltd. has a professional design and development team as well as a production team, with the mission of continuously providing high-quality products and solutions for pet enthusiasts and pets worldwide. We provide various pet products such as pet toys, pet cleaning products, pet care products, pet household products, pet travel products, etc. to the domestic market and Southeast Asia, Europe and America.

Our company has a professional design and development team, a comprehensive production line for various categories, covering workshops such as sewing, rubber, injection molding, paper products, etc. The factory covers an area of 14600 square meters, has more than 200 employees, and has a warehouse space of 3000 square meters and a mature warehouse management system. By cooperating with several express delivery and logistics companies, we can provide you with the most favorable and efficient logistics services in all aspects. We look forward to working with you!!

14 Years of Industry Experience

For 14 years, Love You Pet has been providing mid-to-high-end pet products and premium services to markets across China, Southeast Asia, Europe, and America. Our products are widely available on major e-commerce platforms, large-scale pet stores, and international supermarkets.

R&D and Design Excellence

We boast a professional R&D team with over 350 intellectual property patents. The company has passed the "Intellectual Property Management System Certification" and has been recognized as a "Science and Technology Enterprise of Zhejiang Province."

Customization Based on Samples

Our operations are certified by ISO 9001, ISO 14001, BSCI, FSC, and GRS. We have been honored as a "Reliable Factory" and a "Verified Premium Supplier," fully supporting both OEM and ODM requirements.

Multi-factory Specialized Production

To ensure superior product quality and service, Love You Pet maintains sustainable growth through multiple holding factories, providing comprehensive and high-quality solutions for our clients.

Ready Stock Available

Equipped with diverse manufacturing processes—including sewing, paper processing, woodworking, injection molding, and rubber production—we offer a vast portfolio of over 2,000 products, such as cat scratchers, grooming tools, toys, carriers, beds, and bowls.
